## Section II Proposed Rules

### STATE BOARD OF ADMINISTRATION

RULE NO.:       RULE TITLE:  
 19-3.099        Plan

PURPOSE AND EFFECT: The Board proposes to repeal the rule

SUMMARY: The rule will be repealed.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 120.533(1)(j) FS.

LAW IMPLEMENTED: Chapter 91-30, Section 10, Laws of Florida

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

PURPOSE AND EFFECT: The overall purpose is to amend the rules to incorporate maps that no longer reflect the Gulf of Mexico per Laws of Florida 2025-007 and update map formatting for consistency.

SUMMARY: This rule development will cover amending the rules to incorporate maps that no longer reflect the Gulf of Mexico per Laws of Florida 2025-007 and update map formatting for consistency.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Upon review of the proposed changes to the rule, the Agency has determined that the amendments will not exceed any one of the economic analysis criteria in a SERC as set forth in Section 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

#### ST. LUCIE COUNTY PUBLIC WORKS

The St. Lucie County Board of County Commissioners announces a public meeting to which all persons are invited.

DATE AND TIME: April 9, 2026, 5:30 p.m.

PLACE: MIDFLORIDA Credit Union Event Center, 9221 SE Event Center Place, Port St. Lucie, FL 34952

GENERAL SUBJECT MATTER TO BE CONSIDERED: St. Lucie County will host an in-person Public Meeting for an access management project along Prima Vista Boulevard from Airoso Boulevard to U.S. 1. The meeting will consist of an open house, a formal presentation followed by an open discussion. Staff will be available to answer questions and provide assistance. Questions will be responded to as time permits, in the order received. If your question is not responded to during the event, a response will be provided in writing following the meeting.

The County plans to remove the shared left-turn center lane between Airoso Boulevard and U.S. 1 and replace it with a raised median. This change will reduce the number of places where cars and pedestrians cross paths, which has been shown to lower the number of crashes. Adding landscaping and design features will also make the road feel narrower, encouraging drivers to slow down. Together, these improvements will make

the street safer and better suited to the nearby residential neighborhood along Prima Vista Boulevard.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.
